Hi Pam,

Vladimir did not know anyone at Giga Watt and was introduced to the business through Vadim. We do not know the details or extent of Vadim's relationship with Giga Watt. Vadim is no longer associated with our company.

I'm still gathering the final bits of information to answer the other questions you had and should be able to talk anytime that works best for you.

No problem at all. I have been told that he has no relationship besides in an arm's length business context with anyone from Giga Watt, but I will check again and confirm.

I know I've asked before but the answer is not clear to me, yet. Please bear with me as I absorb an enormous amount of information.

What is Mr. Evseev's relationship with Giga Watt, including Daria Generalova, Nick Evdokimov, and Marina Mikhaylyuta?
